

I'll Be Surfer Dude

- 1. In the space below, draw a staff (5 lines evenly spaced with a ruler) and a treble clef.**
- 2. Draw bar lines to make eight even-sized measures.**
- 3. Write a meter sign.**
- 4. Start composing a melody by writing whole, half, quarter, and eighth notes and rests.**
- 5. Make sure notes and rests add up to the correct number of beats in your meter sign.**
- 6. With help from your instructor, input the melody into QComposer at Quavermusic.com.**
- 7. If you don't like your melody, change it.**
- 8. Give your melody a name and save it, one day everyone might be singing it... "Duude"!**
